Baby Bottle Boomerang
A Fundraising Program

LIFE...the most precious gift of all. And now you have the opportunity to make a difference in the life of an unborn child.

At the close of today's service, we will have helpers in the back of the auditorium who will be distributing beautiful little baby bottles – one for each family here today.

For the next few weeks you can use these bottles to show friends, family, and even strangers that you support life. Take it to work with you. Use it to teach your children how much God loves them. Put it on your desk at the office.

THEN...on the designated date return the bottle to our church full of coins, currency, or a generous check. Whatever you give, it will make a difference.

These bottles will be taken to our local pregnancy resource center to help save the lives of unborn children.

Their mothers are experiencing an unplanned pregnancy, and they have a choice to make. That choice is the difference of life or death for their unborn child.

Your gift, combined with those of other churches, means our center will be here to help those mothers make the right choice.

PLEASE take a bottle when you leave today and return it full of hope for these little ones.

Their lives may depend on you. Will you be there to help? Thank you.
